Examiner Arora:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. §1.97(c)(1), i.e., after the mailing of a first Office Action on the merits, but before the mailing date of a final Action or Notice of Allowance.

Attached are copies of three Japanese patent publications, which were first cited in the attached Japanese Office Action mailed on July 25, 2006. Also attached are English-language abstracts of respective ones of the publications and an English-language translation of the Japanese Office Action, from which any relevance of the documents may be gleaned. The publications are listed on the attached Form PTO-1449. Also listed for consideration on the attached Form PTO-1449 is a US patent No. US 6,441,478 B2, which corresponds to the Japanese patent publication No. 2002-118207, and from which any further relevance of the publication can be gleaned.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed with certification and before the mailing date of a final action or Notice of Allowance, no fee is required, and the requirements of 37 C.F.R. §§1.97 and 1.98 are deemed to be fully met as to all documents listed. Consideration of the listed documents respectfully is requested.

Should any fee be required, however, the Commissioner is hereby authorized to charge such fee to our Deposit Account No. 18-0002 and notify us accordingly.
